Describe the specific steps in the state's process for distributing 90 percent funds to the eligible entities and include the number of days each step is expected to take; include information about state legislative approval or other types of administrative approval (such as approval by a board or commission).

Projected allocations to the agencies are determined based on the prior year CSBG awarded to South Carolina. Ninety percent of the projected award is then allocated based on the percentage of poor population in each county. These funds are then allocated to the CAA which serves the county. Notification of the estimate is provided to the CAA in mid-summer, so the agencies may begin work on budgets and work plans for the year. Because OEO has set a program year of January 1 to December 31, the grant awards are mailed to each agency in mid-November. Signed grant agreements are due back to OEO in early December. The first cash disbursement is scheduled to reach the CAA prior to January 1 of the program year so that each agency has sufficient cash to continue operations without interruption. The time line to distribute funds to subgrantees is as follows: The subgrantee requests funds electronically through the statewide database, as needed, within two days, the request is processed by OEO's fiscal staff and signed off on by the Director. The request is then submitted to the Department of Administration's Fiscal Services to be entered as an invoice. The request is processed within five business days. The invoice must be approved by a supervisor within Fiscal Services, which could take up to 10 business days. Once approved, the payment request flows electronically to the Comptroller General's (CG) Office for approval. The CG's Office may take up to 10 business days. Once approved by the CG, the payment request flows to the State Treasurers Office for payment. Electronic Funds are processed within two business days. Paper checks requested by the subgrantee are processed within 3 business days. Subgrantees have been notified that requests for funds can take up to 30 days to process, and that they should plan their funds requests accordingly. There is no limit on how often a subgrantee may request funds.

7.4. Distribution Timeframe:

Does the state plan to make funds available to eligible entities no later than 30 calendar days after OCS distributes the federal award? ☐ Yes

7.4a. Distribution Consistency: If no, describe state procedures to ensure funds are made available to eligible entities consistently and without interruption.

10.6. Reporting of QIPs: Describe the state's process for reporting eligible entities on QIPs to the Office of Community Services within 30 calendar days of the State approving a QIP
<i>Note: This item is associated with State Accountability Measures 4Sa(iii).</i>
South Carolina will notify its assigned Program Specialist within 30 days of the State issuing a Quality Improvement Plan to an eligible entity to correct an identified deficiency or deficiencies. The Act requires States to allow the eligible entity to develop and implement their plan within 60 days after being informed of a deficiency. Policies on Eligible Entity Designation, De-designation, and Re-designation
10.8. Eligible Entity Designation: Do the State CSBG statute and/or regulations provide for the designation of new eligible entities? <input type="radio"/> Yes <input checked="" type="radio"/> No
10.8a. New Designation Citation: If yes, provide the citation(s) of the law and/or regulation.
10.8b. New Designation Procedures: If no, describe state procedures for the designation of new eligible entities and how the procedures were made available to eligible entities and the public
If the State terminates the designation of an organization as an eligible entity, or otherwise reduces funds, any resulting funding may be awarded only to an organization that is an eligible entity for CSBG funds. Section 676A of the CSBG Act outlines procedures for designation and re-designation of eligible entities in un-served areas. In accordance with the CSBG Act, a State may solicit applications and designate as an eligible entity either: a private nonprofit organization that is geographically located in the un-served area that can provide a broad range of services designed to eliminate poverty and foster self-sufficiency and meets the requirements of the CSBG Act; or a private nonprofit eligible entity that is geographically located in an area contiguous to or within reasonable proximity of the un-served area and is already providing related services in the un-served area. States must grant the designation to an organization of demonstrated effectiveness in meeting the goals of the CSBG Act and may give priority to an eligible entity in a contiguous area that is already providing related services in the un-served area. If no private, nonprofit organization is identified or determined to be qualified as an eligible entity to serve the area, the State may designate an appropriate political subdivision of the State to serve as an eligible entity for the area. Any nonprofit or public agency receiving CSBG funds must meet the tripartite board requirements specified in Section 676B of the CSBG Act. The process of soliciting applications to select a new eligible entity may take place during the period in which the Department of Health and Human Services is reviewing a State decision to terminate an organization's eligibility for CSBG funds. However, the State may not award the funds to a new eligible entity until the Department confirms the State's finding for cause or the 90-day period for Federal review has passed. Procedures are outlined in the State Plan posted on OEO's website.
10.9. Eligible Entity Termination: Do State CSBG statute and/or regulations provide for termination of eligible entities <input type="radio"/> Yes <input checked="" type="radio"/> No
10.9a. Termination Citation: If yes, provide the citation(s) of the law and/or regulation.
10.9b. Termination Procedures: If no, describe state procedures for termination of new eligible entities and how the procedures were made available to eligible entities and the public
South Carolina will follow the IM 116 process for de-designation and re-designation of eligible entities. A state (CSBG) office must initiate proceedings to terminate or reduce funding if a CAA fails to correct a deficiency. However, the state may do so only after it has met the following responsibilities: adequate notice and an opportunity for a hearing on the record. It is within the state's discretion to determine the format of the notice and hearing it will provide a CAA. Any notice and hearing provided should be consistent with applicable state policies, rules or statutory requirements, including the state's administrative procedures act (APA). The notice and hearing procedures should also be made available to the CAA. After giving notice and conducting a hearing, if a state finds cause to reduce or terminate funding, the state must initiate proceedings to do so unless the CAA corrects the deficiency. Cause to Reduce or Terminate Funding Following the hearing, the state determines if cause exists to reduce or terminate a CAA's CSBG funding. The federal CSBG Act explains that cause for which a state CSBG office may initiate a reduction in or termination of a CAA's funding includes: The failure of a CAA to comply with the terms of its CSBG agreement with the state, the state plan or to meet a state requirement. If the state finds cause exists and the CAA disagrees with the state's finding, the CAA should request a review by HHS of the state's finding. A state CSBG office may also initiate a reduction in funding for cause if: A statewide redistribution of CSBG funds is needed to respond to one of the following: the results of the most recently available census or other appropriate date, the designation of a new CAA, or severe economic dislocation. Designation.
10.10. Does the State CSBG statute and/or regulations specify a process the State CSBG agency must follow to re-designate an existing eligible entity? <input type="radio"/> Yes <input checked="" type="radio"/> No
10.10a. If Yes, provide the citation(s) of the law and/or regulation.
<p>10.10b. If No, describe State procedures for re-designation of existing eligible entities.</p> <p>Under Sections 676(c)(1)(B) and 676(c)(2) of the CSBG Act, States may reduce funding or terminate eligibility for CSBG funding based on an eligible entity's failure to comply with the terms of an agreement or a State plan, or to meet a State requirement, to provide services, or to meet appropriate standards, goals, and other requirements established by the State, including performance objectives. The procedure for re / designation shall be as follows: 1. Special Consideration. The designation shall be granted to an organization of demonstrated effectiveness in meeting the goals and purposes of CSBG. Priority may be given to eligible entities that are providing related services in the unserved area. Reference attachment, SC OEO Policies on Entity Designation.</p>

If the state is not making any adjustments, provide further detail.</p> <p>Note: This item is associated with State Accountability Measure 4Sb and may pre-populate the state's annual report form.</p> <p>OEO will continue to monitor as a team (program and fiscal) and issue a combined monitoring report. While OEO is required to monitor once every three years, it is the state's goal to monitor annually. In lieu of a full on-site review each program year, CSBG program monitors may perform desk monitorings and/or onsite reviews of CAAs during interim years.</p>

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES Administration for Children and Families Community Services Block Grant (CSBG)	Form Approved OMB No: 0970-0382 Expires:06/30/2021
SECTION 12 Individual and Community Income Eligibility Requirements	
12.1. Required Income Eligibility: Provide the income eligibility threshold for services in the state. <i>[Check one item below.]</i>	
<input type="radio"/> 125% of the HHS poverty line <input type="radio"/> X% of the HHS poverty line (fill in the threshold) <input type="radio"/> Varies by eligible entity	
0%	% <i>[Response Option: numeric field]</i>
12.1a. Income Eligibility Policy and Procedures: Describe any state policy and/or procedures for income eligibility, such as treatment of income and family/household composition.	
<p>South Carolina will use 200% of the HHS poverty line to determine income eligibility for CSBG services in 2021, as approved by HHS. The Federal Poverty Guidelines must be used as the primary criterion in determining income eligibility. In order to receive assistance under any CSBG project involving direct services, an applicant's total household income must not exceed 125% of the poverty level. Household is defined by the Bureau of Census as consisting of all persons who occupy a housing unit (i.e., house or apartment), whether they are related to each other or not. Total household income is based on income at the time of application. Total household monthly or annualized gross income should be used to determine eligibility. The monthly income should be calculated for the thirty (30) day period preceding and including the date of application. Income requirements can also be referenced in the State's Administrative Guide.</p>	
12.2. Income Eligibility for General/Short-Term Services: Describe how the state ensures eligible entities generally verify income eligibility for those services with limited in-take procedures (where individual income verification is not possible or practical).An example of these services is emergency food assistance.	
<p>The Subgrantee shall be responsible for determining the eligibility of each applicant. Self-certification will be permitted, provided there is complete written information in the client file about the applicant household, confirming efforts to obtain documentation from former employers, the client, and other social services agencies. The "Declaration of Zero Income" certification (OEO intake form) must be signed by applicants reporting zero income and /or individuals living in the household who are 18 years or older reporting zero income</p>	
12.3. Community-targeted Services: Describe how the state ensures eligible entities' services target and benefit low-income communities for services that provide a community-wide benefit (e.g., development of community assets/facilities, building partnerships with other organizations).	
<p>Eligible entities are required to utilize members representing the low-income community to participate in the agency's planning process, via the Board of Directors and community involvement, to ensure that community development benefits and/or partnerships benefit existing communities. Some agencies offer community-targeted services by providing access to CSBG programs utilizing senior centers or by hosting community events in low-income neighborhoods. However, for community-targeted services that are intended to increase community awareness or involvement in poverty issues, agencies are not limited to include income eligible constituents, so as not to discourage community-wide participation (ex. performing the Comprehensive Community Needs Assessment). OEO ensures community-targeted services by approving the agency's Community Action Plan. Services are verified during monitoring.</p>

15.2. CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need to be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or state highway department while in operation, state employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification.

Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);.

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(b) Establishing an ongoing drug-free awareness program to inform employees about--

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will - -

(1) Abide by the terms of the statement; and (2) Notify the employer in writing

(e) Notifying the agency in writing, within 10 calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted - -

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Check if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.
